CAP

NEW  
Release

[www.unilamp.co.th/en/p/cap](http://www.unilamp.co.th/en/p/cap)

Content by Application    Content by Family

The **CAP** Family is a fresh range of bollards and low mounted pole lights\*. Designed from scratch with the latest lighting requirements in mind. The highly efficient LEDs are shielded and emit no upward light. The light engine features great color consistency, excellent color rendering index and dimming options. Specification grade optics make the medium sized version\* a highly competitive lighting tool for demanding professional lighting tasks. With its compact dimensions the **CAP** sized solution for residential lighting projects. Regardless of size the prewired supply cable, numerous mounting solutions and minimized amount of screws assure a simplified installation process.

Medium size version.  
\*Available in September 2022.

**NEW** Mini CAP - Bollard
